MEMORANDUM FOR: Chief, Information and Management Support Staff

FROM:

Chief, Printing and Photography Division, OL

SUBJECT:

FY-1986 Standard Support Requirements

REFERENCE:

Memo fm C/IMSS, dtd 25Jan84, Same subject,

OL 4021-84

1. Per your request, the subject document was reviewed and the following suggested changes are recommended.

Para 2. General Support at Headquarters (Page 10)

b. Logistics

- A number of existing Agency logistics resources (space, furniture, printing and photographic production support, etc) are currently tasked to a maximum capacity and utilization. In the case of printing and photography, there is a requirement for four positions for each ten percent increase in production volume required by Agency components.
